

## GFWC GA North West District

Spring 2019

The North West District Clubs have been very busy over the last few months. The holidays were a time for sharing and caring. I was honored to induct the new members at the Dunwoody Woman's Club and to enjoy a holiday lunch with the ladies from the Marietta Woman's Club. Members from Cobb and Acworth Carrie Dyer were also in attendance. It was a very special afternoon and a great way to start the holiday season. I visited the Calhoun Club and was so inspired by the Holiday Tree Festival. One evening I joined with the ladies from the Chattahoochee WC at Barnes and Noble to help wrap presents for a Holiday Fundraiser. Visiting the clubs in my district, installing officers, inducting new members or attending a club meeting are the highlights of this position. The opportunity to share thoughts and ideas with such caring women is a true gift. Margaret Mead said *"Never believe that a few caring people can't change the world. For indeed, that's all who ever have."*
